

## **Networking and Building Strong Professional Relationships**

Successful internal audits create positive relationships between auditors and auditees. Building strong rapport with our clients provides us, as auditors, to work more efficiently and effectively in meeting the requirements of our careers. It fosters a 'value add' perspective to the work we perform within our organizations and promotes a department that steps outside the stereotypical 'compliance department'. David Stroop is an expert in developing strong, professional relationships. He will share with us 'action oriented' steps to strengthen our skills in identifying and developing daily opportunities to build 'value add' relationships with our clients.
